2.5km loop

ocean side of the course, away from the 1.25km course and 25m in from

each corner. Your paddle feeder can provide you with food as you pass them. All paddlers please note they are to keep a safe distance from swimmers and safety craft and must not paddle in front of any swimmers. The other opportunity will be **beach feeding**. Your feeder will wade out to about waist deep and you can swim to them and collect food as you pass. The swimmer is not able to stand on the bottom during beach feeding, you must tread water. All feeders require a feeding pole no longer than 5m and must not make physical contact with the swimmer. At approximately 7:40am there will be a feeder briefing near the entry chute and you will launch onto the course shortly after, so please ensure you are present.
