

Media Release – 3 February 2019

RESULTS OF ROUND 9 SHOREHAVEN

Conditions today for the OWS Series Round 9 at Shorehaven, proudly presented by Peet were challenging with sizeable swell, sea chop and a strong current for swimmers to contend with. This did not deter the 254 swimmers who took part today. On the beach, families enjoyed free beach volleyball, totem tennis and our inflatable obstacle course while the Nova Casanovas had more give aways and provided the soundtrack for the morning.

Up next on Saturday the 9th of February, is Round 10: Koombana Bay presented by the City of Bunbury. The sheltered Koombana Bay is not only a new location for the OWS Series, but the final regional round for 2018/19 and the last chance to ensure you are eligible for series awards.

Here are our place getters for the OWS Series Round 9 – Shorehaven, proudly brought to you by Peet:

*Please Note: Due to course inaccuracy today, swimmer times will not be recorded for national qualifications. Actual lap length today was 1km. All series points will be allocated as per normal category. We have been able to confidently provide this correction due to the new swimmer tracking technology used by the OWS Series.
